How Much Do RDs/DTRs Earn in Orange County? 2008 Salary Survey

Most people don't talk about their salaries, but it's nice to know if you are getting paid for what you are worth. Here is your opportunity to **anonymously** share your salary information with others in the dietetic field. Last year's survey provided valuable information for CDA-OD members, job applicants, and employers. This year's salary survey is easy to complete. Please check or write-in your answers and return your survey with your CDA-OD dues. Results will not be available for 2 years since current results cannot be published to prevent violation of anti-trust laws. If you have any questions, please call (714) 538-5819. Thank you.
